Headmaster's message

A recent survey of our students (526) shows the diversity within our school population. The 455 families we serve speak twenty-seven different languages as the "home" language. Approximately 71% speak English, 7% French, 3% Chinese, 3% Arabic, and 2% Greek. The twenty-two other "home" languages represent between 0.2 and 1.5%. Such diversity of background can only enrich our lives at Selwyn House.

We help prepare students to take their place in a world increasingly global in its outlook and in a workplace more and more international in its focus. The cosmopolitan nature of the school enhances our opportunities to learn from each others' differences and to understand better the world for which we are preparing our students.

If one of our objectives is to provide legitimate educational experiences that are rich and varied, then a diverse student population is a starting point. If another objective is to send out lifelong learners, then living that diversity at school is foundation upon which to build.

Canadiana Village
Exploring Montreal
A day in Emerald City
Playoffs in Math Baseball

Bart Bucks Bargain Basement
Ski day at Morin Heights
Spider spooks on Halloween
And here are more highlights . . .

A warm September welcome
To all those boys who are new
The school was soon familiar
To Zaki, Philippe, and Shu

Lotfi, an old boy had returned
Giving Selwyn a second look
Hasan was our computer whiz
And Eric the boy with the book

Derek always voiced his thoughts
Whenever he was asked to
But when it came to speaking up
No one could rival Sam Chiu

Christopher, Jonathan, Ryan, Desh
And Jason all orphans played
In our production of OLIVER TWIST
Roberto, what a hag you made

Matthew B and Michael L
And Duncan we'll not forget
Drinking, smoking and dirty
Pickpockets - the best we've met

We all joined to congratulate
Our public speaking winners
Alex with his speech on dogs
And Matthew's was on singers

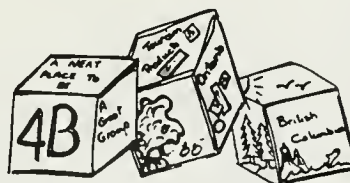

Justin was our Hockey Star
And Andrew's style was cool
Michael R. could make us laugh
When he played the fool

For great work on his projects
Just count on Matthew Osten
Guys, I wouldn't have missed this year
For all the tea in Boston.

A CUBE is a very interesting shape
 About the fact there is no debate.
 And the boys in 4B have used theirs to
 Share Canadian information with me and with you.

Alex M. and David have studied B.C.
 And found that totem poles come from enormous fir trees.

Alberta's treasures, say Philip and Ned
 Are cowboys, mountains, and oil wells instead.
 Saskatchewan, says Roelant is well known for being
 Canada's breadbasket, but alas, has very little skiing.

Manitoba, according to Robert V. and Pierre
 Is home to our buffalo, or at least they used to be there.

Next comes Ontario, says Michael and Salah,
 With rich farm lands and our capital, Ottawa.
 Quebec, Sam and Eric certainly want to say
 Is the biggest and best province, and has Roc Perce.
 Olivier and Robert Z. studied N.B.

With its salmon, ocean and tall stately trees.
 N.S. has bagpipes, and the Cabot Trail,
 And John S. and Henry described it very well.
 P.E.I., Samer and Christian and everybody knows,
 Has Green Gables, beaches, and great potatoes.
 Newfoundland was the last province to be,
 And has fish, and pulp and paper
 according to Chris and Alex B.B.

Lest you think our rhyme is finally fini,
 Don't forget the Yukon and N.W.T.
 Tommy and John H. have many stories aglow
 Of the Yukon's search for gold long ago.
 In the N.W.T, which are wide and cold,
 Charles and Jamie spoke of many ventures bold.

So now you know of our country's wealth
 From the Cubes you can see on 4B's shelf.
 The things we learned, the fun we had,
 Made us sure that 4B couldn't be all bad.
 Especially 'cause Ms. Murphy also was here.
 And her escapades kept us busy all year.
 Three cheers for Grade 4,
 three cheers for each other,
 And for all the great things
 we were able to discover.

GRADS '92.....

Dear Graduates of the Class of '92:

On behalf of the Selwyn House Old Boys' Association, I wish to congratulate you on becoming a graduate of Selwyn House. By virtue of your successful years at Selwyn House you have become a member of a rather distinct and remarkable group. I would like to take this opportunity to make you aware of the Old Boys' Association.

We represent all former students of the School through our Association based in Montreal and chapters in Toronto and London, England. During the year, reunions are held in various cities across Canada and the United States. The Association provides an opportunity to keep in touch through reunions and events such as the Annual Montreal Dinner and the Old Boys' Lecture. This year's lecture was given by Richard Pound, Canada's Olympic representative, on "The Future of the Olympics." In addition, we sponsor an Old Boys' Ball Hockey Tournament which is held every spring. We also participate in inter-school alumni hockey tournaments throughout the year. Through our publication Veritas we endeavour to maintain links with former classmates and the School. We are also active in supporting the School through Annual Giving.

The friendships you have made and the memories you have developed over the years at Selwyn House will always remain with you. Although you will drift apart in the ensuing university years, you will be surprised by how many classmates become reunited in different parts of the world and in business relationships through the Old Boys' network.

Your Class Representatives have been selected and these individuals will be your contacts through which you can remain informed about the activities of the Old Boys' Association and the School. Please keep us up to date on all your news and moves so we, in turn, can continue to follow your progress.

I wish you, the Class of '92, every success for the future. We will be in touch. Sincerely,

Bryan N. Fitzpatrick
President, Selwyn House Old Boys' Association

A large group of male students, likely members of a school organization, are posed in front of a building with a prominent arched entrance. The students are arranged in several rows, with some standing on the steps of the entrance. They are all wearing dark blazers over light-colored shirts and ties. The photo is a color print with a slightly aged, warm tone.

After spending a third of my life at Selwyn House, I look back in retrospect and discover that they weren't half as bad as I had thought. I would like to thank B. Williams for his hilarious, Eric-insulting classes; NAC for her plethora of accidents; B. Moffat for the leeway (it was much appreciated); B. Montgomery for her clinking shoes that still drive me nuts (Aaaagh); P. Litvack for his enlightening math sessions; thanks to J.M. for the curling introduction; Mister C.B. for his zany antics; and P.S. for his puerile WOTD. BBBCL. Ize dat ESE? Hackay? Wrrrong! Sweep! Honest, gospel truth! Physics = Soccer! Chocolate Babies! . . . Advice from the pinnacle of procrastination: "Never do today what you can put off 'til tomorrow". Best of luck to the class of '92.

Kenneth Aranda

"I am a part of all that I have met;
Yet all experience is an arch where thro'
Gleams that untravell'd world, whose margin fades
For ever and for ever when I move."

-- Tennyson

It's over. My time well spent at Selwyn House is up, and I'm moving on to a new walk of life. I can't say it hasn't been fun, however, and would like to thank everyone -- family, friends, and teachers -- for a memorable seven years at Selwyn House. Good luck to all future grads, and, Selwyn, I have but one thing to say . . .

"Hasta la vista, baby." -- T2.

'Faith is not closing one's eye to the facts of life, but opening one's eyes to the wonders of them'

As I step into the outside world of SHS, I will come to realize that those were probably the best years of my life. Sure, we had to rise early in the morning, go through a gruelling day of studies and do countless hours of homework, but it was worth it. What lies for us outside SHS is a whole new world to be explored and all our knowledge to be applied to the new tasks at hand. Many thanks to all the teachers and staff of SHS with whose help made this day possible. I will cherish the memories of my special friends ES, MS, MA. Special thanks to my family for their continued support.

Po On "Derick" Chow

Even though I've been at Selwyn House for three years only, I still have lots of memories after these years: the wipe-outs on sky day, the tennis metal with Mr. Lumsden owes me since grade ten, the french class with Monsieur Laurent, the great lunch table, the amount of snow I have had on winter carnival, etc. What really surprises me between these three years is how my friends call me: Po On, Dereck, POON, PONG, Chicken Chow, Poey, and so on. Thanks to all the teachers, J.W., and K.Y., who have spent so much time to help me with patience during these years. Special thanks to my parents for their support, and finally, I hope to see my friends again next year in cegep.

Jonathan Ceretti

Well high school is finally over, and even though there were good times, I couldn't be any happier. About those good times, here's to crashing Sparboom and your crappy music, to those rough soccer games during class, to our little outings at my house for "refreshments" (guys you know who you are), to throwing chess piece in physics, to paying attention in French and of course to women bashing in English. Good luck to the class of '92, keep in touch.

As my 8 year stay at SHS comes to a close, I find many memories that I will hold forever. Soccer: almost made it guys! Aurora - where's that? Hockey: Provs '92, we did it! Europe - lost in Munich. TF & MS 3 hr torture test - I'm still tired! Fabs - way to be there for me - thks (I'm still better)! Stupid Idiot! Thks to the lunch crew for making it bearable. To the 3 M's - let's see how you guys do without me! A BIG thanks to Mom & Dad. LUV U! Good Luck '92. "You went your way, I stayed behind" - Stevie Ray Vaughan. Let's stay in touch! Your favorite Greek, Zorba.

I'm feeling kinda lazy about doing this, but for my future self (if you're reading this now), I'll drop a few sweet memones of this place to reminisce nostalgically over. Here they are:

- Jeff's math wit, and AL's even funnier lack thereof
- Freezing Sherbrooke winter walks to Claremont with cold-blooded Colin
- Controversy at the lunch table, and creative insults by Jacques ("Shut up, you vision of ...!")
- "Mr. Williams in Wonderland" humour (Okav!)
- Creative writing with JW wake me up for lunch and the Jacques Sina conclusion
- "All physics laws branch from these three words" Physics lies by BM
- Heated Ayn Rand locker room debates
- "The Bus? Oh dam, there it goes" Remorse over skipping gym (NOT!)
- Mousse-man Alex celery-stick figure or Bust!
- Frustration in French class with JW (just one word ecoutes Aarghh!)
- And of course the 3 P's of Selwyn studying Procrastinate, Panic, Pass!

To all, thanks for the memones!

Willie Goldman

Finally the pain has ended. I would like to thank my parents and Ray and Nick for helping me endure 6 years at Selwyn, as well. I would like to thank Sass, Schiff, Dyl, Horn, Ben, Pat, Tim, and Ton, and all the rest of my friends for making this stay bearable. The pool games, the hockey championships, the rugby and football championships, the ski holidays/weekends and races have also eased the boredom of the 5 day weeks for the past 6 years. My anticipation for the summer in Servilla with Oliver will definitely get me through my final year at Selwyn. Thanks to TJN/SM/KB for teaching me something (though I do not know what). Off to the real world, to D! Salvio's. Labour Day weekend at the pub! "Yaah . . . domestic/ toughguy!"/cabaret/Sutton movie/ski weekend with OS/New Years 91 on safari with Tiga/Hoffbraushaus/Europe 92 trip.

After three and a half years of Selwyn, I've realized that what I should have learned. I learned in the first year and took the next two and a half to forget and that as I leave this step to climb another, I'll never forget the people who got me through. I am most grateful to my parents and family for their preserving enlightenment of the pathways to follow. I thank the Frontenac Gang that was and is for shaping some of my character and some of me. S.R. (for everything), A.A. (for the bad influence), R.G. (for the mood lifting), E.S. (for physics labs), M.A. (for lunch races), R.S. (sorry), Table 8, B.B.B. the teachers B.G., M.K., J.W., and B.M. As well as the others. You know who you are. I pray that we keep in touch as our pathways diverge towards our sunsets. I've also come to realize that, one day I'll look back and understand the true significance of Selwyn House in the portrait of my life.

Andrew Horn

In a time stricken by AIDS & other epidemics I have realised that the most important thing in my life has been the on going struggle to free myself from the shackles of High School. I admit it was fun. I owe my success to family & friends (JD, GW, TF) mainly the Fab 5, pieguys, Mom, Dad, Chan, & everyone else who helped (you know who you are and if you don't your not) Memories will ease the radical change such as: U K tour, good friends, good beer, good times, cast & crew 92' sr play, firebrigade (Raise, JT, Ben, Dick got any) the train gang (BW, BJ, ME, CB, MA) confusion, threepeat grad, no one in here but us chickens Special thanks to Ben, Sas, Ty, Phon, Pat, Dick, Ken. I love ya all. See you at Jon's Bar Keep in touch.

For the past 5 yrs, we've lived to meet deadlines + get that perfect serve. Along the way, I think I managed to pick up a few bits of knowledge and many friends. The teachers have been remarkably patient about answering all my many, many questions. Thanks to them all, esp. RN + BM who taught the possibilities of learning are forever. Now with all the time on your hands without my questions, you'll have to find hobbies!! Thanks to the support of family and friends at SHS (with Taylor the pessimist (relax); Rollo, Ken + Jeff for their questions and all the others who kept me on my toes. Years of memories: French plays, Physics Bonuses, ski days, the burning of the rafting trip - they were all fun. I thank Marc for his devotion to SHS. I wish the best of luck to all the grads. It's been great, guys! Nothing can be loved or hated unless it is first known. - Leonardo da Vinci

Ever since grade 3 I've always been the smallest in my grade. However friends like R.S., P.S., L.M., J.W., L.T., and others have helped to make me feel the biggest, even bigger than J.W. (the class buffalo). You know, I'm still upset from gr. 4 where I got my first and final SAT. detention. For doing what? Fighting. I got the end of the stick only; speak of justice. Thanks anyway. Nearly got another one this April skipping school for the Expo's home-opener. Whacky events: orientation weekend, Stratford, wrld. conf. in Toronto, talent show (smells like teen . . .), and can't forget: my BIG party. Anyone seen the phones? How about my little suede shoes? Quick! Call info-crime! A.N., L.C., C.C., C.D., L.R., W.N., C.A., M. G., C.N., M.H., T.M., E.L., and M.S.: I haven't forgotten you, don't cry. So long class of '92. Anything can happen when we have shuffled off this mortal coil.

Fabio Moscatelli

I didn't know what it would feel like, but I'm finally going to be a Selwyn graduate. There always seemed to be a certain mystique surrounding grade 11 students just because they seemed so much bigger than all the rest. Now I'm here but I still don't feel I'm the right height to graduate among giants (to me). All I know is that I've accomplished many things over my stay here but one that strikes me is that I'm no longer the shortest in the grade. Thanks to all the guys and gals (you know who you are), to T.J.N., S.M., Alfie, M.M. and all the coaches. A special thanks those that kept me going R.N., P.L. and the other staff that endured me since grade 2. Oh! to my family too: EM² + PM.

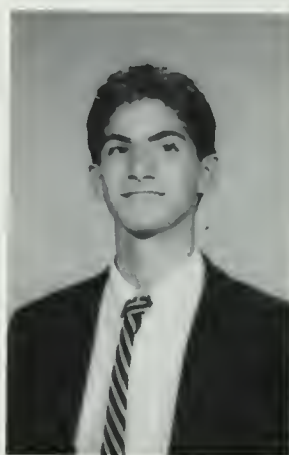

Philippe Phaneuf

Eight years have passed with a flash of revelation and reality! Remember: school plays: Arsenic & Old Lace!; Orientation (surprise!); Winnipeg; endless obsessions; Tennis talks!; GAVALTI! My last two years have been THE BEST with some great teachers on the way: P.S., B.M., T.J.N, B.W. (fish sleep?), J.W. (that's KINKY!), P.L., K.B. (let's TALK!), B.J.M. (it was fun!), Mrs. F.I, Mrs. W. & MRS. M. (what can I say?) Well to the guys at my table - let's do lunch!! And J.K.!! remember EVERYTHING - it'll make a racy bestseller! Hi SAM! M.S., You're GREAT -thanks! Thanks to all the friends, teachers, and to my family (crazy as you are!) George, Lisa, Jax, Ben, G-Maman! & especially to my parents for putting me on this planet! Summing up six years of my life is probably the hardest assignment I've ever had to do. There's too many things to mention, but here are just a few: Quebec city, Ottawa trip, Grade 9 Latin class: "Liam, shut-up!" - JM. Spring Break '89, Stratford, RG's Histoire classes, Dominican Republic and Florida. LM, OM, AL, JS, MB, CB: I'll miss you guys the most. Liam, the WWI & 2 addict. OM, "Are you gonna have another party soon?". I'd like to thank all my teachers and coaches for making my stay at Selwyn a pleasant and enjoyable one. I'd especially like to thank my parents, Richard and Robert for helping me through those trying times in my life. Also special thanks to Jo who I can always count on to be there for me. Carlos, Marcos, Woody and Les, I couldn't have made it without you all. But the ones who made it so great were you guys, the class of '92. And wherever you guys go, don't forget to keep in touch. I'll always remember you.

Life at Selwyn House has finally ended after five years. I'll never forget phy. with B.M. = free chem with C.B. = demos never working math with P.L. = boredom English with K.B. well who knows what happened in class and lastly eco with B.W. = Honest and insulting So. To my good friend, I'll tell you only, once that I am the epitome of procrastination and laziness my lunch table, more deep thoughts: Is repetition the mother of skill? is death worth living for? What is Life/Money? Is there life after S.H.S.? i definitely think so. Lastly I want to leave the the 3 M's and V and everyone else some advice: Never do anything today that you can put off till tomorrow!

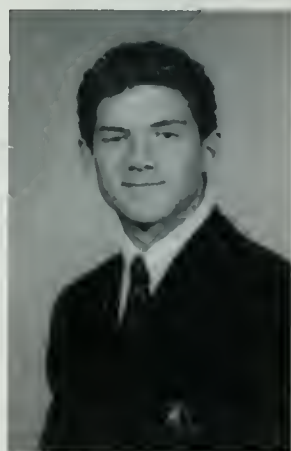

Alexandre Smith

I have been at Selwyn house for too long (11 years), and for some strange reason, I do not really want to move on to CEGEP and perhaps, if I could muster up the drive, to actually work. University. But then of course I can't help not caring, where ever my life takes me. I will go. Selwyn holds lots of memories for me, some good many bad: herding cows at La Ferme, Quebec City, Ottawa, watching really exciting plays at Stratford, sharing a tent with the Qaf at the Red River, Europe, Bishops, the Provincials (one of the year's high points), Machine game, the Expos' home opener that a certain teacher wouldn't let me go to, plus a huge amount of others that would take too long to mention. Thanks to Mark, S. Velos, Fabio, Sparling, Goldman, Flanders, and Tim F. for making my first and probably only managerial position as hockey equipment manager a memorable one.

Dylan Smith

It hits me that S.H.S. will be gone soon. About a Hoffbrauhaus litre stein full of emotions wracks my brain. Eight years of real excitement, laughter, and tears have created "just a few" memories. Too many for this note. But I would like to pass on some of you, my thoughts. W.G. - I cherished your friendship more than I made apparent O.S. - I really am sorry! We had a few pieces of good dogs together M.K. - Your frightfully optimistic and generous nature have kept me in line P.M. - We never talked enough B.W. - I'm sorry I got to know you so late Toad - Not enough times like Home Coming A.S. - Your the intellect I wanted to be M.S. - Your faithful friendship has brought us very close. I will never loose touch with you! To all the others, space constrains me. RICH - A best friend you were and will always be. I dedicate this partly to you. Beats - You are such a major part of my life! I hope you realize that.

Eric So

After five years and more than five 8:25 arrivals, I can't believe it's finally coming to a close. To sum it up: I've boldly gone where I didn't think I'd go before. Thanks to S.H.S. I've discovered new talents and tastes that I'll always cherish. Going through a day, many thanks to: B.W. and blankity blanking, lunch, but not for the food, (something I'll try to forget) but for our soap opera, sitcom, philosophical table; the library crew for deap chats before late pick-ups, and "Them". Thanks to C.B. for destructive demos and, B.M. for chess, go, and things that make you go huh? Gratitude to D.P. for starting me with debating and to J.S. and J.V. for keeping me there and to A.T. for bringing out the most agruing in me. More than to J.W. and badminton (I hate that serve). More and more than to B.B. B.B. M.B.B. in C.S. Most thanks to Mom and Dad for pushing me here. To the memories and the future, "Hasta la vista S.H.S.!"

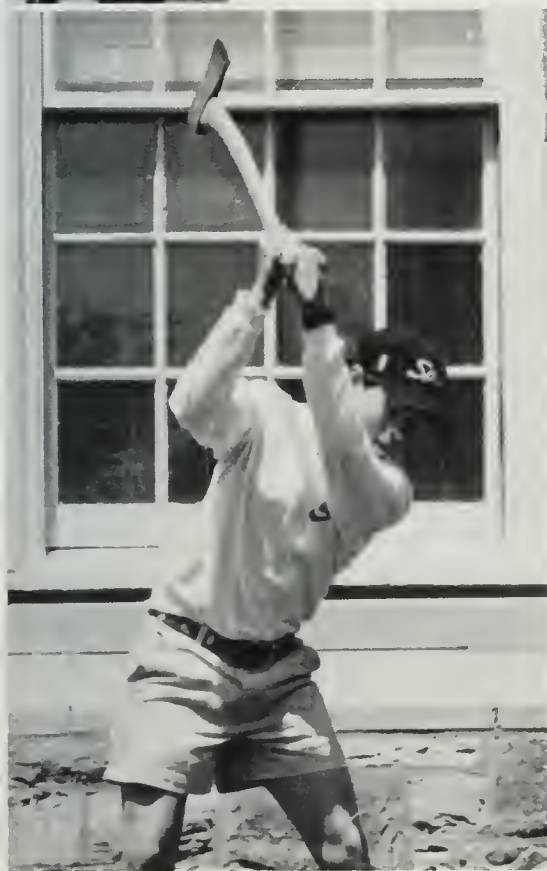

Alexis Sparling

Well 5 years have come and gone at Selwyn and I can't believe it's over (well almost). Luckily sports, mountain biking & skiing have kept me (insane). Things I'll remember . . . crashing at JC (RJ Rooster), driving w psycho RM, biking & skiing w DK-K, Boyle drafts. BANTAM "B" SOCCER

The team was given a good test in the Early Bird Tournament at Bishop's College School. We met three teams of differing levels of expertise which provided us with useful pre-season GMAA competition. Our season of home-and-home games with several West Island schools was one of mixed success. We won both games against Beaconsfield High, but we played even better against other schools when we couldn't win. Many players gained valuable experience from the season, and we look forward to seeing them at the Midget and Juvenile levels in the years ahead.

Thanks to Coach Cude for his patient instruction, and for getting us out of *The Great 5:30pm-6:30pm Dead Bus Incident* on the elevated Metropolitan expressway. (Who got us into that mess, anyway?)

M.V.P. Philippe Stattner

M.I.P. Taylor Lloyd

MIDGET SOCCER

Despite various injuries throughout the year, the team won their midget "B" division. The team enjoyed an excellent regular season, but lost a heartbreaker to Lachine High in the quarter finals. The offense was at times spectacular, lead by Stuart Weigensberg, Cody Barker-Greene, and Ryan Antoniadis. The half-backs were solid, lead by David Turetsky, Bryan Guinness and supported by Ronnie Sirdeshpande, Anson Le and John Wilkinson-Chapman. The defense anchored by Justin Ajmo, Philip Barnes and Neill Hunt kept opposing offenses at bay. Freddie Sarhan did a great job in replacement of injured keeper Philippe Vinois. The rookies such as J.J. Wakerat, Hiroto Arita and Mallar Chakravarty also contributed a great deal to our success. Many thanks to coach Govan.

SENIOR SOCCER

This years Juvenile soccer team had a very memorable season, with many highlights along the way. The team started off strong, winning their first two games, and then continued to improve throughout the season, narrowly missing the playoffs in the end. One of the highlights was a trip to Aurora, Ontario to participate in the nationwide under 18 tournament, where the team worked hard, placing 2nd in their division and advancing to the playoff round. This was one of Selywn House's best showing in that tournament. Much of our success was due to Tom Pitfield, Donald Vinh, Fabio Moscatelli, Andrew Horsman, Robbie Boeckh, Chris Brown, Masaud Kakkar, Robert Maranda and the inspirational coaching of Mr. Paoletti. Thanks coach, for a memorable season.

X COUNTRY RUNNING

This year's cross-country running team worked hard and played hard. From the monument runs to the horseshoe sprints to the timed miles, effort and good-humour defined the attitude of the cross-country runner. Many newcomers, such as Chris Teryazos, Mark Przybylowski, and Dylan Smith, improved greatly, and many returning veterans, such as Andrew Taylor, Liam Maloney, and Colin Grey, continued in their dedication to the sport. A highlight of the season came with the arrival of the cross-country running jackets, in addition to the posting of the second and third fastest mile times in Selwyn House history by Dylan Smith and Colin Grey respectively and many successful races. As Mueller once said, "runners never die, they just trade in their old shoes."

It is really too bad that this year's Senior Football team, with the awesome amount of talent at every position it had, came up empty handed at the end of the season. We figured that we had the talent and strength enough to take us to another GMAA championship in our senior year. However, who else could we have lost to other than LCC in the semi finals! It was a match of growing up and down football that left us losers by only one point. We would really like to thank the coaches for their dedication and hard efforts in improving our team. Despite our quality players, we have always been an incredibly inconsistent team. It's sad that we had to end that way, but I'm sure we'd all agree that we had a really enjoyable fall '91.

Bantam Football G.M.A.A. League Champions

The Selwyn House Bantam Football Team enjoyed an outstanding season this year. We got off to a good start with a resounding victory over Bishop's at B.C.S. We went on to win our next eight games decisively. Our only loss came in our last league game, which was against L.C.C. Earlier in the season we had beaten them 26-9, so we were confident of a second win. This overconfidence was a critical factor in our defeat.

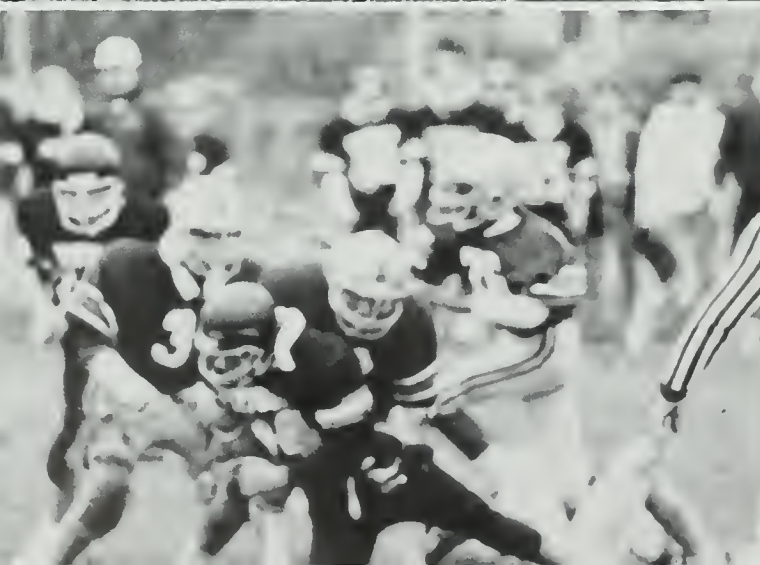

Our league record of 7-1 put us in the semi-finals against Laurention, whom we defeated. L.C.C. had also won their semi-final game, so the finals matched us once again with our nemesis, L.C.C. Determined not to be defeated by overconfidence, we played hard from the opening whistle and scored two touchdowns in the first half, held the opposition back, and won 13-0.

Our quarterback, Jamin Kerner, receivers, Ben Wearing, and Lonis Pearson, and fullback Jeremy Lenk played exceptionally well throughout the season, and the whole team is to be congratulated on their solid play all year. We would like to thank coaches Mitchell, Boyle, and Downey for their dedication.
- Chris Gayton, Team Captain and Cory Lowsky.

WINTER SPORTS

X-COUNTRY SKIING

This year's cross-country ski team once more combined enthusiasm with achievement to create a healthy, successful mixture. Many of the team members not only won medals in their respective GMAA categories, but participated in events outside the normally scheduled races. The snow arrived late in the season, and after it did the team still had to contend with trying and varied weather condition, from rain to -35°C winds.

Up and coming skier Eric Goldwarg won a silver as a Bantam and participated in the LIFA 25km Loppet at Gray Rocks. Midget Dan Freiheit won gold, and senior Colin Grey won silver. Other notable efforts came from Phil Waters, Rob Wors-off, Richard Valdmanis, Christopher Mee, Joel Lowski, Liam Maloney, and last minute pinch-skier Marcel Guay.

CURLING

The Selwyn House Curling Team had a rather successful year, compiling a record of 14 wins in 20 games. This placed us in the semi-finals, however, a disappointing loss to Lachine H.S. put us out of the Finals. There were two curling teams: the first (lead to skip) was Mark Arguilles, Moyez Sidi, Michael Carreiro, and Matthew Adler, and the second included Seth Derevensky, William Cobbett, Matthew Waxman, and Eric So. The excellent leadership of the veterans along with the fine showing of younger prospects made this year very enjoyable. We all thank Coach Jack Martin for such a wonderful term.

BANTAM BASKETBALL

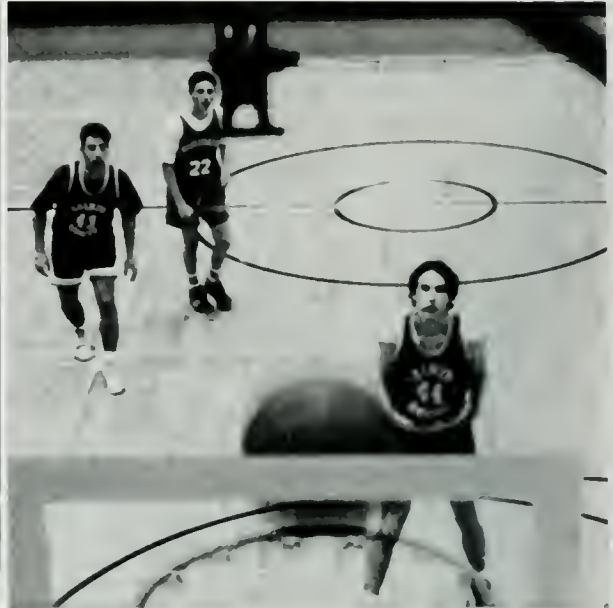

This year's team was entered in the GMAA "A" division and we finished with a 3 and 9 won and lost record. In our last league game we lost by three points to John Paul, the best team in the league. In exhibition play we had 5 wins and 4 losses.

The highlight of the season was a trip to Boston where we were billeted by Rivers school. Our most exciting win came against Nobles as we came from behind to win at the buzzer.

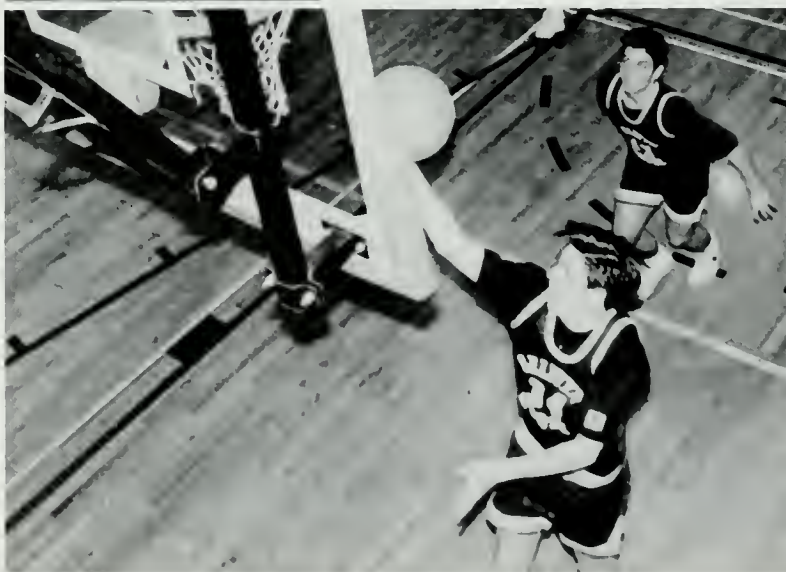

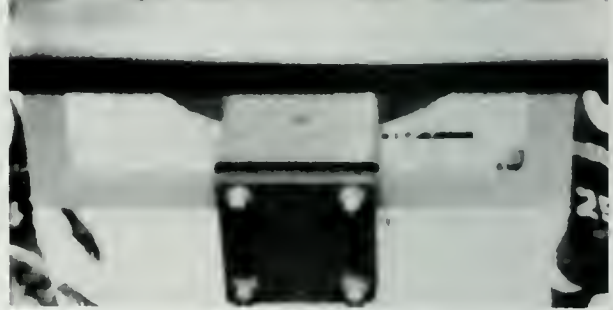

We worked hard for our successes and the development of players like T. Lin, L. Isaac, S. Fish, R. Calve, R. Rutledge, and J. McIntyre was very satisfying. Our captain and leading scorer was A. Blaikie.

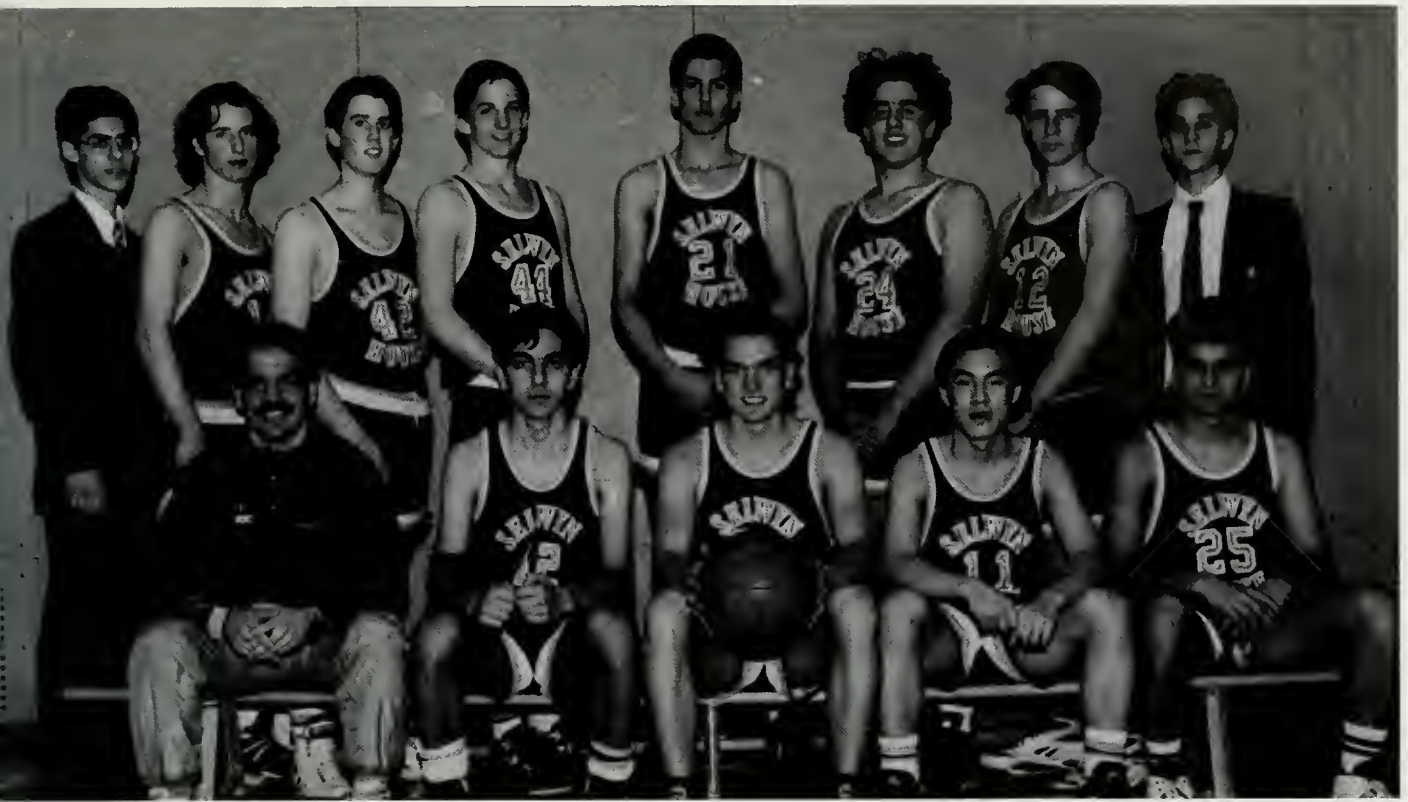

MIDGET BASKETBALL

This year the Midget Basketball team had a record of 7-5 in league play. Led by the starters Ryan A, Bryan G, Tom K, Bradley W, and Chris G, the team had an exciting season. We had a strong end to the season, winning 10 straight games, and then only narrowly losing in the semi-finals. We excelled in tournament play, sweeping all our games at the Royal St. Georges tournament in Toronto. Hard work from Weigensberg, Chakavarty, Daniels, Le, Lord, Lowsky, Turetsky, Hunt, Corpart, Ikeman, and Novak contributed majorly to the teams outstanding performance. The team thanks Colin Boyle and Ms. Remsen for a memorable season.

SENIOR BASKETBALL

At the season's outset, our senior basketball squad looked very promising. With returning players such as Robert Maranda, Masaud Kakkar, and Tom Pitfield, the future looked very bright. Unfortunately, individual talent does not make a team. As a unit, we had trouble working together. Our 1 and 9 league record did not reflect the team's ability. Although we did not have a winning record, the season had its share of great moments. Our one league win was against our arch rivals, L.C.C. The student, staff game during carnival week attracted a great crowd. The game was very entertaining and featured the three point shooting wizardry of Mr. Phil Litvack. Our trip to Toronto and the St. George's tournament gave us a chance to relax and enjoy ourselves. Had it not been for our coach, Mr. Alfie Paoletti, the season would have been much harder to endure. He emphasized the importance of effort and not simply winning. His patience and encouragement were greatly appreciated. We wish that we could have paid him back by winning a championship, but it was not to be. On behalf of the team, I would like to thank Mr. Paoletti for his effort and perseverance. I would also like to wish all the graduating senior players good luck. As for next year, the team looks very promising with five returning players.

BANTAM HOCKEY

The bantams enjoyed another tremendous season, accumulating more points than any team in the last seven years. Like last year, they lost to a larger team in the playoffs - Loyola. Leading the offence were Jon Brady, Rick Mezey and newcomer Robert Fagnoli. A physical defence was led by Louis Pearson and Mike Lenczner. Especially effective, as a newcomer, was Hugo Bloomfield. David Haimson again provided stellar goaltending. With several returning players, coaches Willett and Shannon hope to finally bring a trophy home to Selwyn next year.

Selwyn House beats its way to provincial victory

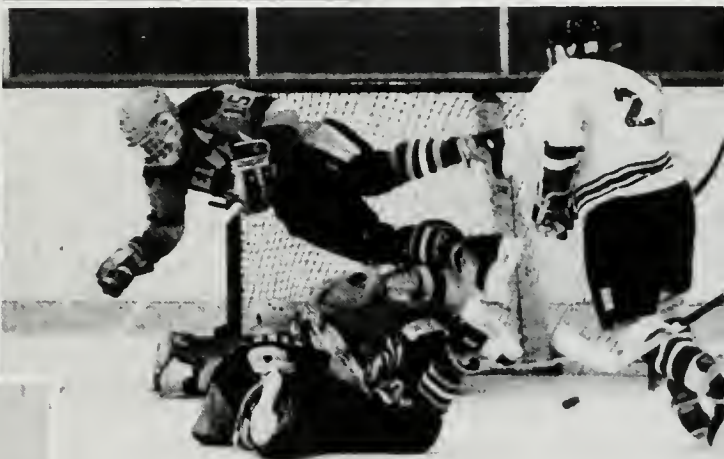

VARSITY HOCKEY TEAM 1991-1992

Provincial Champions for the 2nd Time

The 1991-92 Varsity Hockey Programme proved to be one of our most successful teams ever.

The team as usual got off to a slow start. However, we were third at the Christmas break and pleased with our 5-2 League record. The boys discovered on February 26 we had finished first overall and were headed into our second consecutive league playdowns and had qualified for the Provincial Championship for the third time in 5 years.

St. Thomas High School buried our team in GMAA City Championships 6-2 at McGill University's McConnell Stadium on March 11. However, two days later at Bishop's University, Selwyn House Varsity won three exciting games to win the 45th Q.A.S.A. Provincial Championship for the second time in five years. Mark Spence was named to the All-Star team and Tournament M.V.P. Mark Spence also became the first Gryphon hockey player to surpass the 200 point barrier, amazing 151 goals and 97 assists = 248 in 91 games.

WRESTLING TEAM

BACK ROW (L TO R): Andrew Coristine, Adam Frappier, Mark Lamorey, Donald Vinh, Cody Barker-Greene, Ben Wakrat, Patrick McEntyre, Phil Vinnis, Trevor Yeung, John Wilkinson-Chapman **MIDDLE ROW (L TO R):** Tom Fletcher, Constantine Constantis, Michael Nessim, Hiroto Arita, Jonathan Wakrat, Nick Robinson, Andrew Heathcote, Paul Dery-Goldberg, Patrick Brown, Vicky Sawhney, Jay Waldron, Mr. R. Moore (Coach) **FRONT ROW (L-R):** Chris Aranda, Paul Gomez, David Williams, Dan Roiter, Samir Sidi, Joseph Sep, Thomas Watt, Philippe Robinson, Steven Przytykowski **ABSENT:** Kamil Nishijima, Sean Starkman, Eric Bui-Quang, Billy Azeff

On Friday, February 21, the Gryphon Wrestling Team battled a snowstorm to arrive at PCHS ready to take on 11 other schools for the G.M.A.A. title. Fresh from a gruelling European Tour against stiff opposition and a solid victory against Riverdale H.S. just prior to the championships, the Selwyn House grapplers were well prepared for an all-out effort.

At the end of it all, the Gryphons placed a solid third, behind PCHS and champion Kahnawake. More important than the final finish was an outstanding performance by the entire team, with personal bests recorded by many athletes.

The team's finish was led by Gold Medalists Samir Sidi (35.7 kg) and Daniel Roiter (39.4 kg), both of whom finished the regular season undefeated. Sidi dominated his weight class on the way to the finals, while Roiter provided the most excitement, winning a 6-5 match in overtime after trailing the match 5-4 with 3 seconds left.

Selwyn's third finalist, David Williams (46.6 kg) lost to a strong competitor from Pierrefonds and finished with the silver medal. En route to his medal, he defeated Chris Monaghan from Royal West in another thrilling overtime match. Monaghan was the defending champion and last year's Provincial Champion and Outstanding Wrestler. This was the second win for David over Monaghan.

Bronze medal performances were turned in by Nick Robinson (50.2 kg), Donald Vinh (62.4 kg) and Patrick McEntyre (65.6 kg). Robinson turned in a very strong performance in a heavier weight class and this year hopes to do better at the National Championships. Donald Vinh closed out his career at SHS with a very tough battle in the consolation finals against an experienced Mark Mumley from Loyals. Patrick McEntyre also finished off his GMAA career with a 1-0 win against Russell Browne from Royal West. Ben Wakrat finished a strong 4th in a very competitive weight class (74 kg) for his final G.M.A.A. appearance. It was extremely satisfying to see these wrestlers finish off their careers with such fine performances.

Other notable performances were put in by Patrick Brown (57 kg) who won two matches, Jay Waldron (50.2 kg) who recorded his first G.M.A.A. wins and finished in 6th place, and Trevor Yeung (53.8 kg), who also won two matches.

Next year's team looks very promising, with returning medalists Sidi, Roiter, Williams, and Robinson anchoring a solid group of performers. There are also a number of Grade 7 wrestlers who demonstrated a great deal of ability and are expected to make a significant contribution next year. These include Tom Watt, Sean Starkman, Chris Aranda, Paul Gomez, Josef Sep, Philippe Robinson, Billy Azeff, and Stephen Przytykowski. As both PCHS and Kahnawake will be losing a number of wrestlers to graduation, Selwyn House should be in serious contention for the top spot.

WRESTLERS SHINE AT G.M.A.A

On the night of January 30, while the rest of the Selwyn House community was heading home, 34 students and five staff members were boarding a plane bound for Amsterdam. Thus started the Wrestling and Ice Hockey trip to Europe. In just ten days the group traveled to four countries, competed against seven teams, and witnessed first hand the beauty of the Rhine River Valley, the Cathedrals in Salzburg, and the Austrian Alps.

The Wrestling Team's schedule was a tough one. Competing against clubs which have the advantage of practicing year-round, the Selwyn House wrestlers found themselves pitted against well trained, highly schooled individuals, some of whom are members of national teams. In each meet, the host club fielded an all-star team comprised of the best individuals from the clubs in the area.

Coach Moore was impressed with the Selwyn House students response. "Their competitive spirit was evident and although the competition was tough, they maintained their spirit and determination". The spirit of this group is illustrated in their voluntary training run up the mountain in Salzburg.

Particularly impressive were Nick Robinson '93 who won three out of four matches, and Patrick McEntyre '92 and Trevor Young '94 who put in some of their strongest performances to date and recorded their first international wins. Jonathan Wakrat '92 was also impressive, losing a close 11-10 overtime match in Germany. This level of competition will be invaluable in preparing for the upcoming GMAA Championships on February 21.

Another highlight was practising with a senior club team in Cologne, where the athletes had an opportunity to train with senior wrestlers and practice both Greco-Roman and Freestyle techniques. This also provided the athletes the opportunity to interact more closely with their fellow competitors.

The Varsity Hockey Team had its share of new athletic experiences as well. Huge ice surfaces (rinks 225' x 85' versus 200' x 65') allowed for faster and more open play. In addition, the European teams focus on offensive skills so Selwyn House faced some remarkably adept shooters.

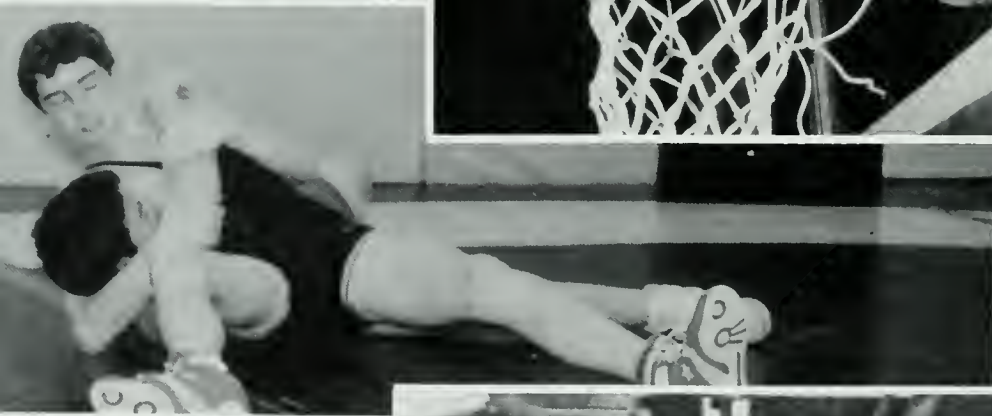

The squad opened against Den Haag who had not lost a game in two years. Despite jet lag, the Gryphons put on a remarkable show of strength and won 7-2. The most difficult match came against the Neuss Ice Hockey Club. This Club had some of the most talented midget players we had seen and were in first place in their club division. Selwyn House's team play and forechecking made the difference, and the Gryphons dominated 2-0.

The overall record was 4-0, an impressive showing given the varied playing conditions and the amount of traveling and touring we did.

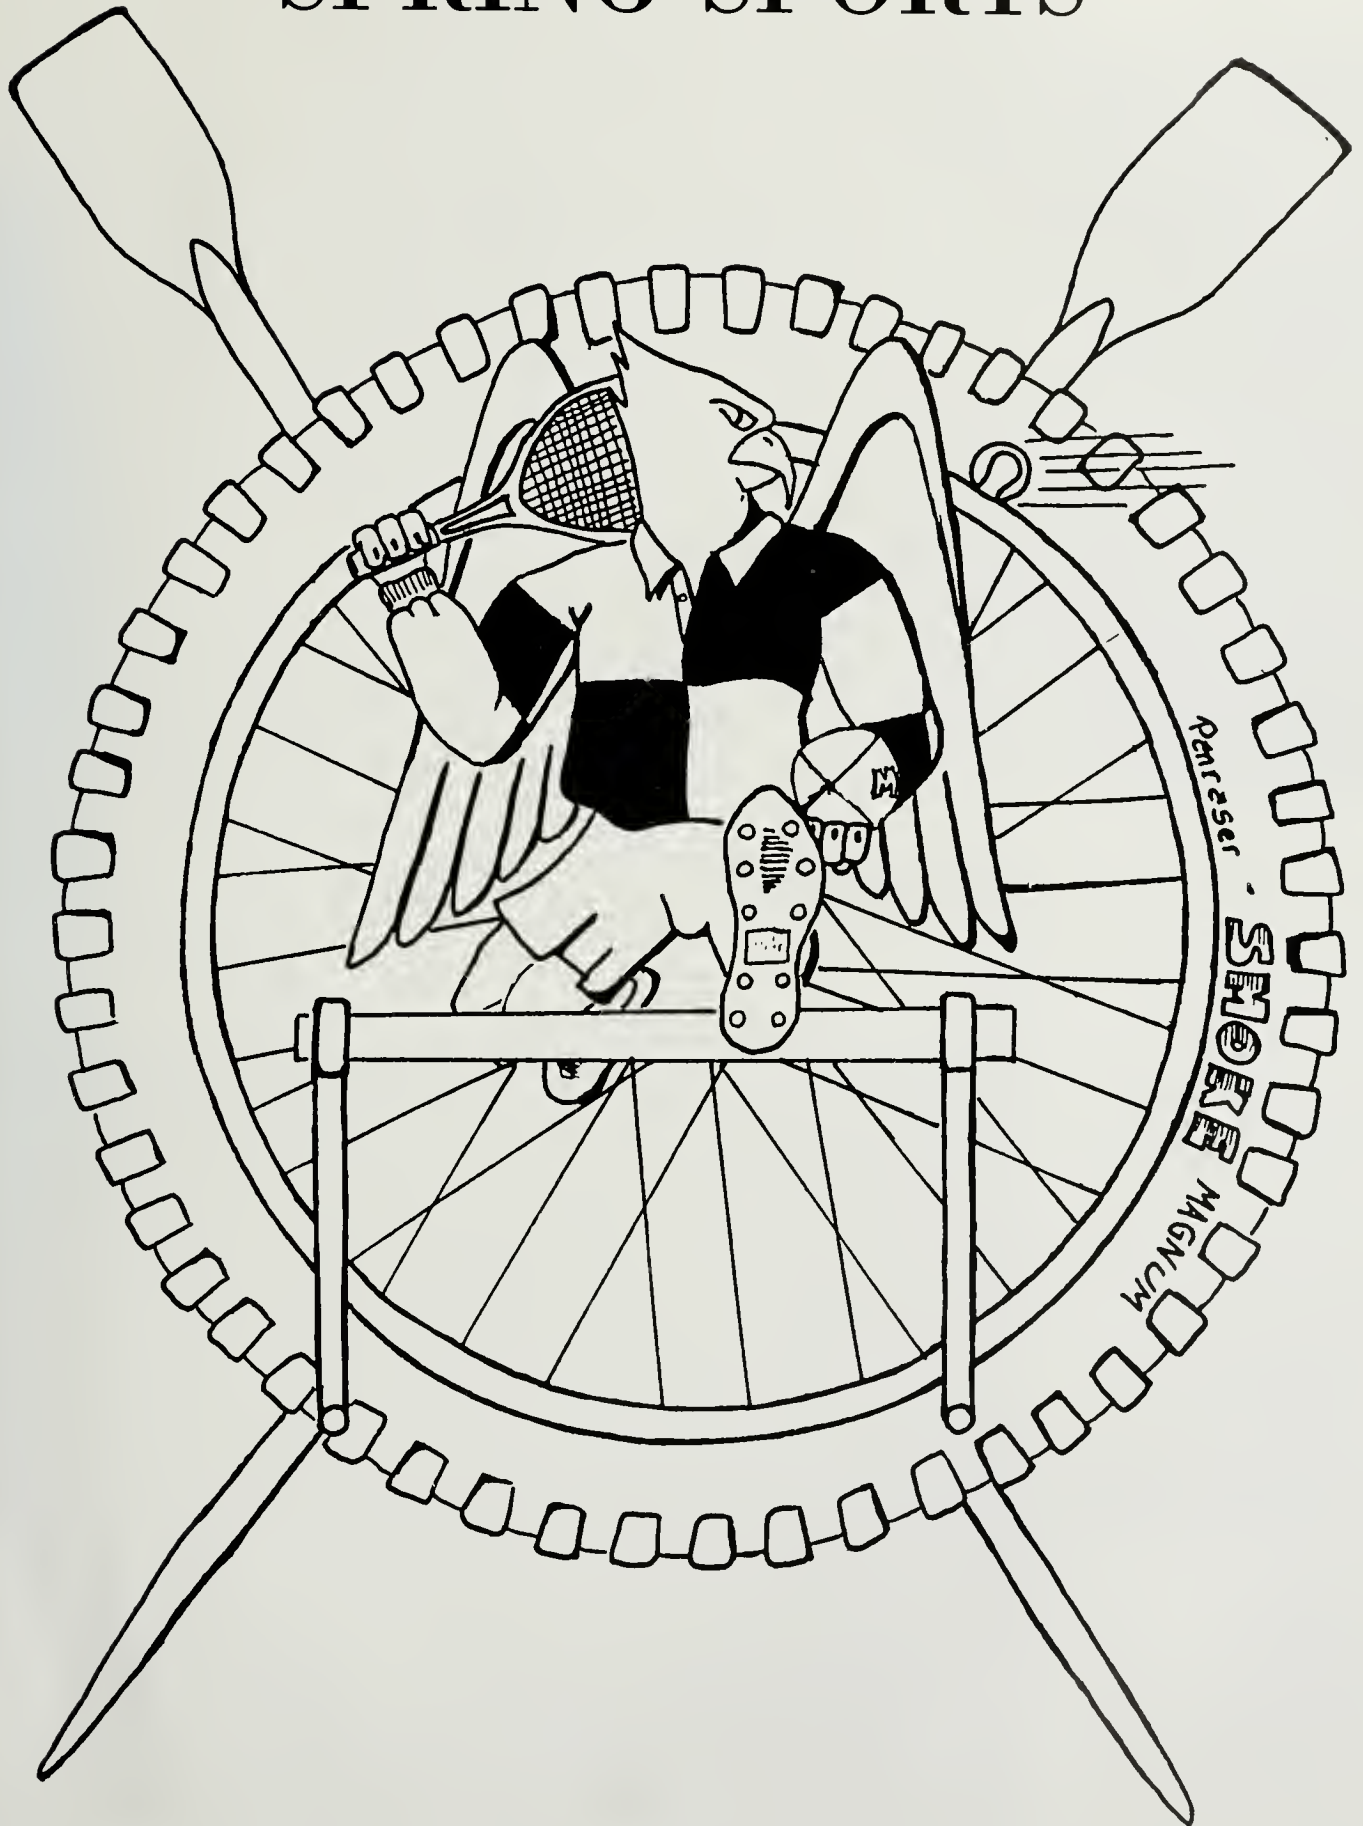

Thanks go to all of you who helped raise money for the trip and supported the effort. Without your help the experience would not have been possible.

BANTAM TENNIS

The six handsome guys, all from 8A, who made up the Bantam Tennis Team for 1992 were Ricky Mezey, Rob Fagnoli, Munush Jha, Alex Grassino, Adam Ginter and Phil Stattner.

Both Ricky Mezey and Rob Fagnoli advanced to the elimination rounds of the GMAA tournament. Ricky went as far as the finals. In Doubles, Munush Jha and Alex Grassino advanced to the elimination tournament but immediately came up against tough opponents.

The twelve matches won, in total, by the Bantams helped Selwyn House retain the GMAA plaque won by the school with the top aggregate (in matches won). The Open Team added another twenty!

OPEN TENNIS

Champions

GMAA

For the second year in a row the Selwyn House team brought home the GMAA Open Tennis banner.

Ari Brojde won the singles championship and the pair of Jon Gross and Chris Trubiani won the doubles title. Eric Gross was eliminated in one semi-final by team-mate Brojde, as it turned out. Po On Chow and Jeff Wong rounded out the team playing second doubles.

The team won 20 matches overall giving them a comfortable margin over their nearest rival. Added to the Bantams' total of 12 matches won gave 32 victories and the GMAA plaque.

Ari Brojde prevailed in a three set final of terrific tennis over David Abelson of Centennial Academy. Ari also provided inspiration for his team-mates with his strong performance and animated play.

ROWING

Training for rowing begins when there is still ice on the water in April. The weight training room and rowing machines at the Olympic basin are used to tune up those fit enough to make the novice team.

Veterans Dan Flanders, Pat McIntyre, Mark Lamorey and Alex Lyons provided support and instruction to the new members of the rowing club.

Dan Flanders led the team in its ergometer training. He proved his power by setting a club record for 200meters and won the "Most Promising Player" award.

Newcomer, Mike Blakely, second only to Dan on the ergometers, made the racing four crew. Mike won the "Most Improved" award.

Alex Lyons was the only experienced member in the racing crew. He won the club's "Most Valuable Player" award as he pulled stroke during the School Boy Championships.

Rowers were able to try a variety of boats made available by the Montreal Rowing Club. Eights, straight and coxed fours, pairs, double sculls, and single sculls were used this year.

Thanks go to Mr. Argie Fotis, National Team coach, who made himself available to assist head coach, Mr. Moffat, in the instruction and training of the crew.

BANTAM RUGBY

Although the 1992 edition of the Bantam Rugby team's league record was only 2 wins and 4 losses, our 7's play was very good (winning a silver in GMAA 7's tournament, and placing 3rd in the BCS 7's tourney), we did have a very good team. With only eight veterans returning from last year our team was made up of young, raw talent. Some rookies and their natural skills really helped us out: Matthew Singerman's speed, Scott Bailey's knowledge, Peter Huang's strength, and even little Tom Watt never gave up without a fight. What really carried us was our veterans. Without the strength of Laurence Isaac, Stephen Fish, Tal Pinchevsky, and Robbie Rutledge, the knowledge and skills of Eric Goldwarg, William Cobbett, John MacDonald, and Hugo Blomfield, and, of course, Mr. Paoletti's enthusiasm and great coaching our season and our 7's play wouldn't have been as enjoyable and successful as it was. Thank you very much to those who supported us and thanks for a great season!

MIDGET RUGBY

This years Midget Rugby team competed fiercely against tough opposition. Whether 15's aside or 7's aside the team worked well as a unit and was able to obtain the Bishop A's and B's 7's cups and the GMAA 7's aside championship. Nevertheless, the team was unable to capture the 15's aside championship.

All players contributed to our success but the captains Cody Barker-Green and Tom Kabuga provided the leadership that focused the teams enthusiasm to a very successful year. Many thanks to Mr. Maurovich for once again an exciting Midget Rugby year.

SENIOR RUGBY

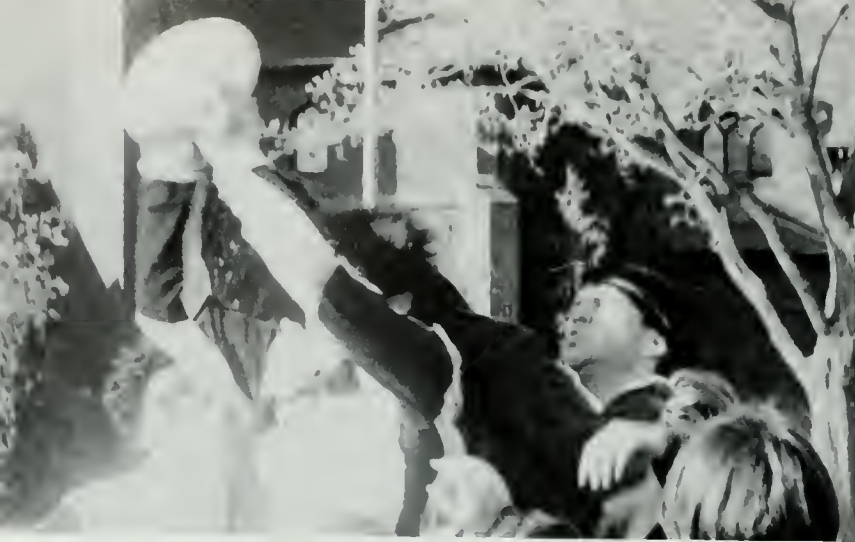

This years Senior Team failed in its bid to threepeat as GMAA 15 aside Senior Champions but we did manage to snare the GMAA 7 aside title with an exciting win over Bishops College. The loss to LCC marred an otherwise perfect league record with convincing wins over Stanstead, John Rennie, Royal West, Centennial and Loyola.

Selwyn led the LCC game at the half hut LCC led by Selwyn Old Boys L. Carsley and C. Robertson stormed back in the second half to win 21 to 13. The loss marked an end of an era in which this particular group of boys had dominated 7aside and 15aside play for 5 years.

Many thanks to captains A. Horn and B. Wakrat for their leadership. Congratulations to T. Fleiszer on being the winner of the Borner trophy and A. Horn captured the Best Forward award. Selwyn will have some 10 players returning at the Senior level next year so the future is indeed bright.

CAR WASH

ML4

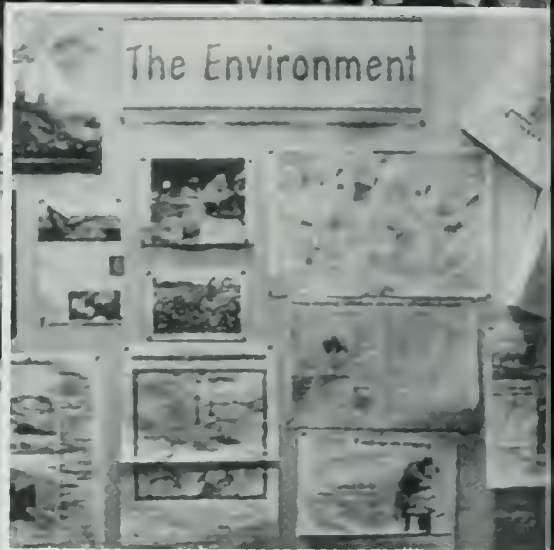

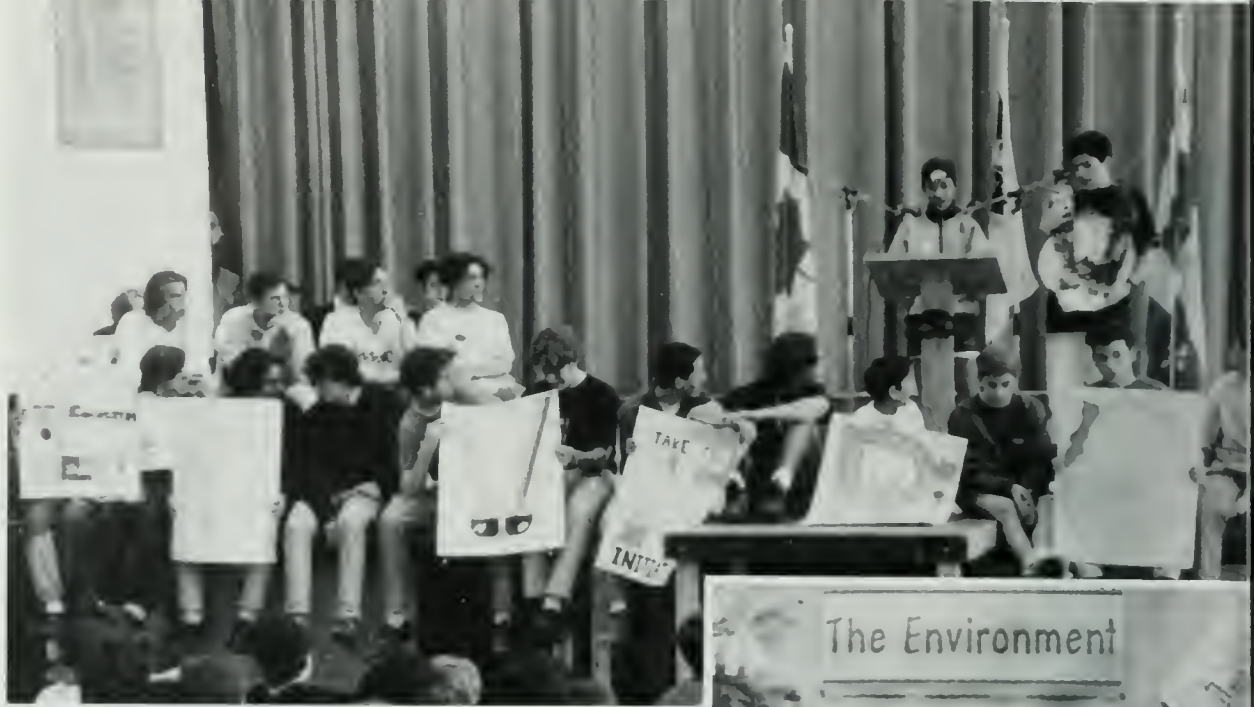

MUCOLIPIDOSIS IV FOUNDATION

Grade 10's Raise Money For ML4

On a gray Saturday morning early in the month of May about fifty grade ten students came together to participate in our annual car wash. The spirit and effort put into the event was overwhelming. Wild Card Productions, headed by DJ's Tom Pitfield, Phil Vinois, and Anson Le, provided the entertainment, which was essential. The car wash raised seven hundred dollars. Traditionally, the money raised had been donated to an environmental cause, but this year we decided to give the money to a cause that was more close to home. Mrs. Helen Tecks, a former teacher at the school, has a son Morgan who was born with the rare genetic disease, ML4. He was put through endless hours of therapy with seemingly little improvement. The grade tens decided that they would donate the money to aid in the research for a cure of ML4. Mrs. Tecks accepted the cheque at our assembly and thanked the grade tens for their noble effort.

S.H.S. AND THE ENVIRONMENT

The Environmental year at Selwyn House was very successful. This year saw the inauguration of the Environmental Awareness Board. As well the school's first environmental group was formed. They presented the idea with the Prefects as well as the Student Council for the first annual Enviro Week. We fundraised with Bake sales and "Fee" dress, raising money for the cleanup of the St-Lawrence river. Our assembly became an open forum for the school. Each grade presented their ideas, problems and solutions concerning the earth. Old tires, television sets, paper and bottles were loaded into garbage bags. The students returned after much strenuous activity to a delicious lunch outdoors. We closed the week by planting two trees on the grounds of the school. The Environment movement has just begun and hopefully it shall continue. Good job Selwyn!

Richard Brooks.
